

Invitation

Dear members

We are pleased to invite you to join the second Webinar of our Women Forum in cooperation with OE Portugal, sponsored by EUREL on

Women for Climate

Thursday | Dec. 14, 2023 | 15:00 (CET)

Via ZOOM Platform

The women forum of EUREL invites you to attend the second planned conferences in 2023. In this meeting, the remarkable achievements of women in the energy industry will be revealed, aiming to develop advanced technological solutions for the benefit of the people, for a better and safer life and with focus on climate aspects.

By bringing together distinguished professionals and experts, we hope to create an engaging platform for fruitful discussions, knowledge sharing, and inspiration.
